timberline high school

1970-1971 CAIRN

Cairn is defined as a cone shaped mass of rock, built as a landmark or monument. Our Cairn is a landmark marking the trail blazed by the students of timberline through the year. In this book you will find the trail marked not only by seasons but also by activities. Timberline's annual staff sincerely hopes that your Cairn will bring back fond memories of 1970-1971.

our circle . . . . . .
without beginning and
without end.
a
continuous thought molded
in human existance
and passed from
the earliest generations
to the present.
it
is both within us
and without,
for the circle we build
within is the measure
of the common circle
we build without.

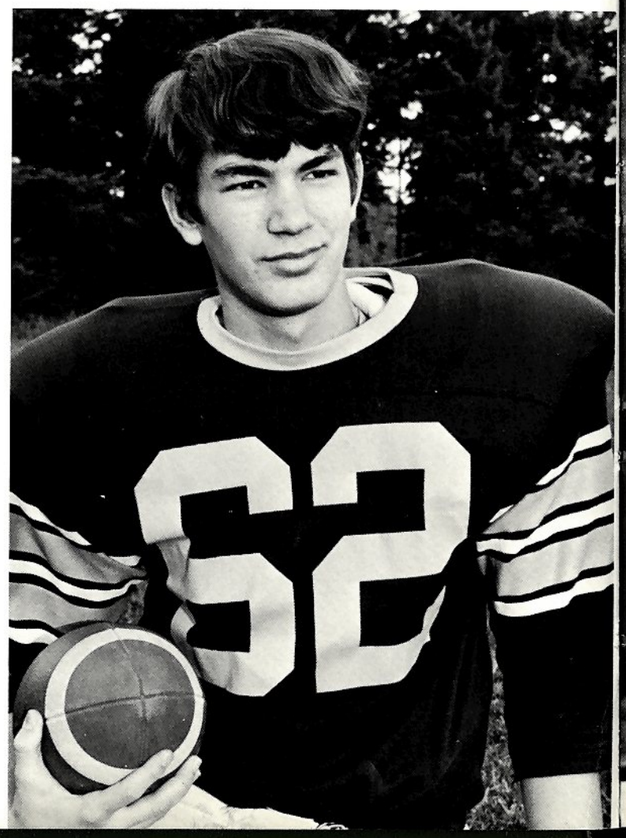
in memoriam

to dr. peterson, a man
who dedicated his life to youth
some things are gained only in
giving;
they are love and wisdom and
living.
this man gave his love to youth,
his wisdom to it's learning.
he gave his life in trust to us,
the torch of knowledge burning.
and . . . . . .



to george stegie a boy who
gave his youth to life.
a youth so full of life and
beauty.
a boy-a man to be,
has left us early on the journey
and set forth out to sea.
but in our hearts we hear his
laugh,
and see his friendship's smile.
and though he sails the sea of
death
he is with us all the while

Timberline's 1970-71 Varsity Football season was one of forlorn hope. The team, under the coaching skills of Coaches Rosevear, Nelson, Somnis and Bell, was never dismayed. There is hope for a winning season next year.

Special Awards were given to: Stan Cole, Honorary Captain, John Hauser, Inspirational Award and Bruce Undhjem, Coaches' Award. Greg Champlin was all League Defensive Safety with Greg Bostrom accepting honorable mention as League Linebacker.

Three of the team did not have pictures taken. They are Don Hursey, Mike McCormack and Mike Madden.

One of the most successful sports this fall was our freshman football squad. They are credited with a record of four wins, two ties and no losses. As do all of the sports here at Timberline High, two awards were given to two outstanding members of the team. Gene Painter was voted by his teammates to receive the Inspirational Award and Coach Pete Fulton awarded Tom Connor the coveted Coach's Award.

There was a lot of mud and sweat this season in frosh football but there were very few tears, thanks to the tremendous effort of Coaches Fulton and Burmester. The frosh worked as a team and won as a team.

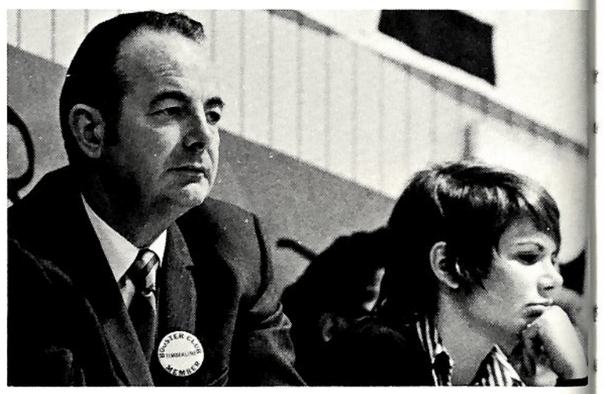
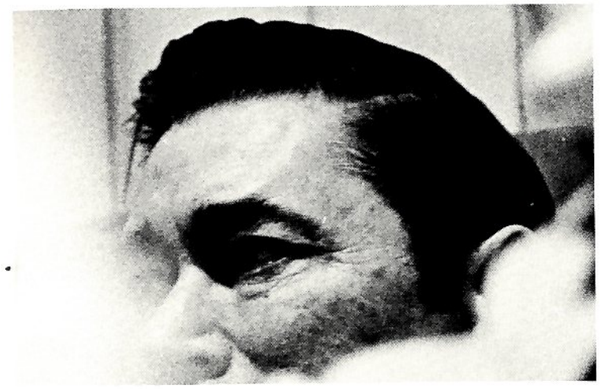
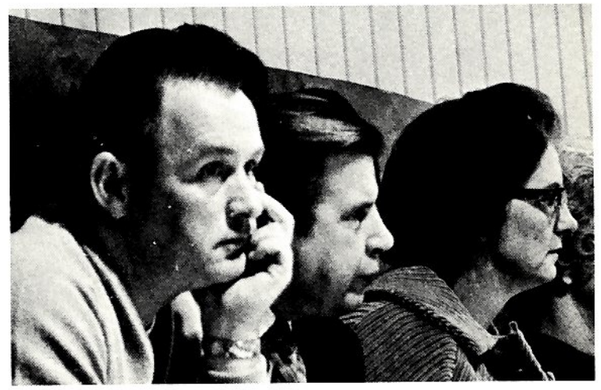
BOOSTER CLUB







A new school encounters many expenses and funds are usually not available for numerous activities. For this reason a group of interested parents got together and formed THE TIMBERLINE BOOSTER CLUB. The prime function of this Booster Club is to aid the Athletic Program by raising money to assist the Athletic Program of Timberline High School.

The officers elected were: Douglas Cullen, President; Gib Horton, Vice President; Frank Noren, 2nd Vice President; Billie Hyland, Secretary; and Betty Heryford, Treasurer. Serving on the Board of Directors are William Bennet, Max Cole, Lloyd Clair, Pay Greenly, and Glen Heryford, Archie McCallum was appointed Athletic Director.

The Booster Club wishes to thank the faculty, coaching staff and all the people who took time out from their busy schedule to aid this program.

Timberline's first Girl's Swim Team plunged its way to victory, winning all their meets by huge scores. Our girls splashed their way to second place at the district meet, trailing by only $1\frac{1}{2}$ points. With some aid by the team of Crawford, Crawford, Egolf and Engdahl, they placed 6th in state. Special achievements were made by Karen Crawford who was undefeated. Her sister, Patty Crawford, was also undefeated until she placed second in individual events. What was Coach Patton's reactions? Pure joy and bliss. Her comment, "They deserve the credit and I'm proud of them."

The 70-71 boy's swim team consisting of twelve strong swimmers, might not be a big team in number, but they are a mighty team in swimmers. The swim team for Timberline this year consisted of five freshmen, three sophomores and four juniors. You must be dedicated and want to win, but only the most dedicated goes to state. The swimmers that have the best chance for qualifying are: Brad Hoff, 100 Free; Dale Thoemke, 100 Back, 200 and 50 Free; and our team captain, Dennis Heryford, 50 Free and 100 Breast. Coach Kinkela stated, "We're looking forward to next year." Good luck to you boys!

The Debate Team; vertically (left to right) Dan Threatt, Ken Wright, Mike Larson, Scott Van Antwerp, Roger Horton, Kent Potts.

The topic they are debating is: Resolved: that the Federal Government should establish, finance, and administer programs to control air and/or water pollution in the U.S.

The schools they have debated are Olympia, St. Martin's, Ocosta, Centralia, Aberdeen, Tumwater, Elma, Mount St. Helens, Napavine, White Pass, North Thurston, Shelton and Hoquiam. Out of these numerous debates, Scott and Ken have won twelve and lost only three. Kent and Dan took first place in the Junior Division at the St. Martin's Tournament. Although they lost March twelfth they still have a chance for State.

twirlers

Left to Right: Deb Edwards, Vernie Whitney, Kim Kolb, Colleen Kraus, Jane Owens

Something new came this way, the Timberline Twirlers. They, like Drill Team, performed during the half time of our home games. They started originally this fall with only Vernie, but as time progressed a squad grew. Vernie helped put the squad together, and there are now six twirlers, with Marcie Whitney missing. Although some of them just started this year, they worked to perfection. Because they practiced once or twice a week, although they only performed a total of five times. Next year they hope to perform a lot more. Wish you lots of luck Twirlers.

frosh track

This year's freshman track team ran high in talent and experience. They all have varsity letters in track from their schools last year. Coach Bykerk says, "They may be small in numbers, but they've got what it takes!" Prospects were so good that early in the season Coach Bykerk ventured to say, "I wouldn't be surprised if we picked up a few awards at the league meet." He also said, "The ones most likely to earn and receive honors are Mark Slavin and Gene Painter. Both of these young men, as eighth graders, placed second in last year's league meet, against freshmen." The entire frosh track team is an asset to Timberline's athletic program.

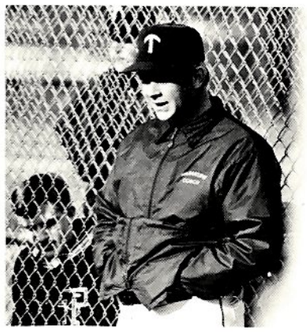
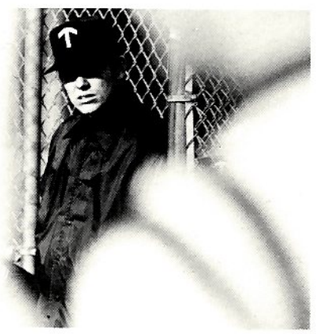
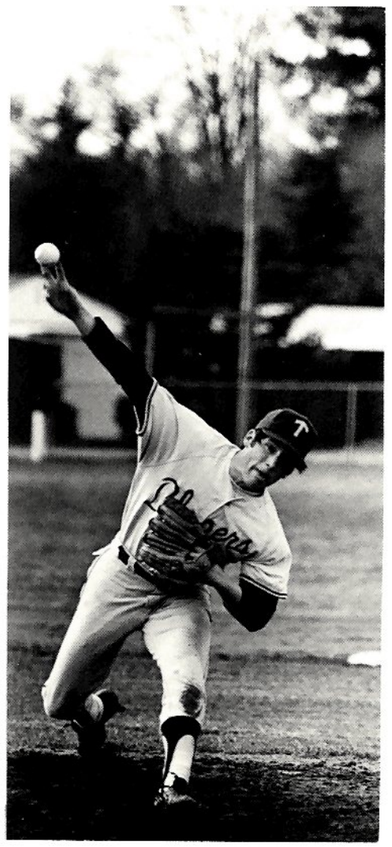
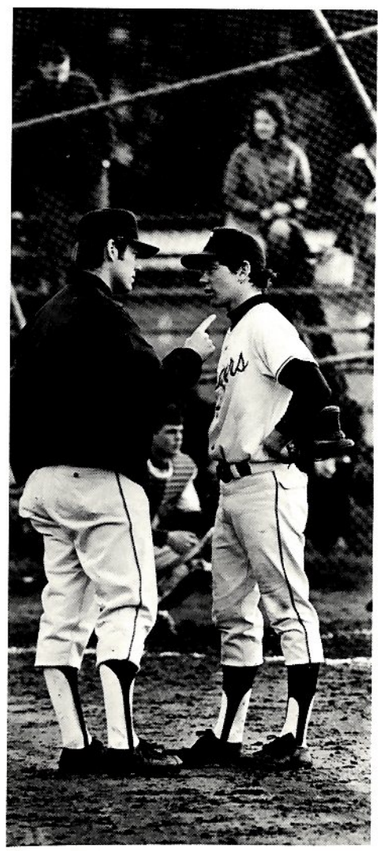
baseball









Baseball's coaching staff said it all: "We feel that the 1970-71 Blazer's spring sports have set the pace for the 1971-72 sports seasons. We've won, and were successful." The baseball team's record shows this success. They challenged and conquered some of the best teams in the league. No excuses were made. Excuses are the rationalizations of failures, and failure was unacceptable. Last spring you did not hear the ever-popular "wait till next year", or "we are just a young and inexperienced team." Inexperienced or not, the truly talented 1971 Blazer's baseball team took the challenge and came out victorious. So the pace is set. Time and unyielding effort will tell the 1971-72 Blazer story.

Strength and knowledge come naturally with age. Winning when you're young and growing is the epitomy of competition. The freshman baseball team wanted to win this year. Our confidence went with them.

boys tennis

The 1971 Tennis Team of Timberline High School this year was made up of ten racket-swinging athletes and a racket swinging, whistle-blowing coach. Coach Kycek finished his 3rd year of coaching the sport, and expects much improvement over this year's efforts, next year. The team was made up of many beginners seeking to gain experience, so they can return next year with higher expectations. The two most experienced players on the team were Duane Klotz and Bruce Undhjem. Playing varsity were Duane Klotz, Bruce Undhjem, Bart Eggen, Dave Heikes and John Hauser.

japanese exchange wrestlers

On March 26, the Japanese wrestling team from Sendai, Japan, came to Timberline High School to wrestle a team made up of champion wrestlers from the Black Hills League. Prior to the match, both coaches and teams exchanged gifts, giving and receiving something of the others' culture. Although the Japanese team lost, Mr. Birbeck said, "I felt that in the brief time our Japanese visitors were with us, an unbelievable amount of cultural understanding was accomplished."

our town

In late March, the Timberline High School Drama Club presented the theatrical work, "Our Town," by Thornton Wilder. The play took place in the early nineteen-hundreds, and yet was very relevant to modern social problems. "Our Town" gave its audiences a chance to look at the past and present ways of life. The director, Mrs. Arbuckle, chose to have few props, and instead, to concentrate on the acting aspects of the play. The actors and actresses gave all of themselves and performed their parts excellently. Their efforts created a sensitive and moving performance.
